

Are you, or somebody you know, looking after somebody else's child?

If a child is staying with someone who is not a close family member, and it is for longer than 28 days, you need to inform Tameside Council, who will allocate a social worker to support the arrangement and make sure everyone is receiving the help they are entitled to.

Please let us know by contacting the Private Fostering Social Worker on 0161 342 4446/4477
